

Ethics Counselling and Non-Compliance Report

SK innovation runs various channels to allow members, partners and other stakeholders to ask for counsel and disclose possible wrongdoing freely. Also the source of the disclosure is strictly kept confidential.

Protection of whistleblower

01

The identity or disclosure content of the whistleblower will be kept strictly confidential, unless there is a consent from a whistleblower.

02

Whistleblower will not be subjected to any harassment or discrimination for making a proper disclosure.

03

Those who cooperated by providing statements, data, and other evidences while investigating disclosure are also protected under a Whistleblower Protection Policy.

04

Actions that violate "whistleblower Protection Policy", such as tracking down for whistleblower or revealing the contents of disclosure are strictly prohibited.

05

If whistleblower is subject to any disadvantage or detriment, he or she can ask for correction and protection to Ethics Management department, and the department will try to minimize the harm as far as possible.
